

## Southview Rheumatology General Information

- Make sure you sign in with the receptionist when you first arrive.
- Please bring a list of your CURRENT medications with you to EACH visit.
- If you are late for your appointment, you may be asked to reschedule.
- Please allow 48-72 hours for medication refills. Always specify if you require a 30 or 90 days supply.
- You will not be notified of normal lab values. You can access all your labs and imaging via your patient portal.
- If you need medical records release or forms filled out, please allow 7-10 working days.
- Please turn off your cell phone during your office visit.
- Taking photos or recording are also prohibited due to HIPAA law.
- If you ever stop your medication, or if another health care professional stops your medications, please notify us immediately.
- If you arrive more than 10 minutes late to any appointment, you may be asked to reschedule.
- We do not prescribe narcotics.
- We do not assess restrictions or disability but are happy to send records when appropriate.
- You do not need to fast for any of our lab tests. You can take your medications as normally scheduled the morning before your appointment.
