

# HEALTH ALERT

## VISITOR GUIDELINES: COVID -19

Visitor limitations within all Southview Medical Group care settings are necessary for the safety of our patients, visitors, care teams and community to control the spread of Novel Coronavirus (COVID-19).

- **Please do not visit if you have flu-like symptoms, including fever, cough, runny nose/nasal congestion.**
  - **Visitors are limited to two (2) per patient at any time.**
  - **It is highly recommended that children do not visit during this time.**
- **Please do not visit if you have returned from a country the CDC has designated as a “high risk country” within 14 days.**
- **If you do visit, please ensure you wash your hands and use sanitizer before and after your visit.**
- **Outside vendors are restricted from entering patient areas. Please contact provider suite to schedule lunch or to discuss samples.**

Thank you for following these guidelines to keep our patients, visitors, care teams and community safe during this time.
